

ACADEMIC INFORMATION

We use the life-changing school video curriculum from Bethel School of Supernatural Ministry in Redding, CA, with Bill Johnson, Kris Vallotton, Danny Silk, and others of their ministry team by videos of live classes at Bethel. The messages are about developing new paradigms of thinking related to revival culture, your identity in Christ, living in supernatural power, activating the prophetic gifting, healing gifts - equipping the students to see God's Kingdom manifested on the earth.

FIRST YEAR

Our first year program (split in 2 parts with 2nd year as a continuation of the 1st) lays a foundation for a supernatural lifestyle in the areas of our identity in Christ and the culture of honor. The students are shown both biblically and through testimonies, that a Supernatural Lifestyle is as much an important part of Kingdom ministry today as it was in Jesus' time.
